@RanjiniBandyopadhyay spoke on "Empowering women scientists and young leaders in science technology and innovation" at the recent @G7 Science and Technology Ministers' Meeting held at Tsukuba, Ibaraki, Japan on May 16, 2016.

Ranjini represented the GYA (Global Young Academy), Berlin of which she is a founder-member and spoke about some favourable practices that RRI has implemented for its young scientists and progressive policies of the Government of India such as extended paid maternity leave, child care leave etc. that has led to a significantly high number of women scientists pursuing research as a career.

Congratulations to @RanjiniBandyopadhyay, @ranjiniRRI for doing her bit to encourage greater participation of women in STEM disciplines.
